

August 26 : Volcano Disaster Prevention Day

Mt. Ontake Volcanic Disaster Drills

Date & Time

Wed. Aug 26, 2026

Start around 11 am Finish around 12 pm

※The drills may be canceled due to weather conditions.

Areas

- **Otaki Trailhead: Mt. Kengamine — 8th Station Shelter Hut**
- **Kurosawa Trailhead: Mt. Kengamine — Nyonindo Inn**

**A drill broadcast will be
played within the training area.**

Please do not mistake it for an actual emergency alert.

Mt. Ontake is an active volcano. While keeping a mindful attitude towards trekking and being prepared, please ensure you do the following:

Check volcanic activity updates and restricted area boundaries.

Prepare and submit a trekking itinerary.

Wear appropriate clothing and carry essential gear suitable for the season and weather conditions.

Organized by Mt. Ontake Volcanic Disaster Management Council (0264-25-2213)
